

Participation in Class

Standards:

6. Perform confidently in front of an audience
7. Participate as a productive member of a group
8. Practice considerate behavior
11. Take performance risks

Task:

This is a participatory class. It is necessary for your grade that you participate productively on a daily basis, take performance risks, portray confidence when performing, and remain considerate of other students in the class.

It is imperative that this classroom is safe place for people to perform. Because of this, I will be assessing your participation on a bi-monthly basis by observing you in class.
