

Computer Catalog Search

Name _____

Animal _____

Using the computer catalog, fill in all of the necessary information in the forms below to locate the titles and call numbers of four books on your topic. Then locate the books on the shelf and determine their relevancy to your topic. You may need to utilize more than one search sheet to find four relevant books. When you have found the relevant books (books that have information about your animal), show them to Mrs. Dobrodt or your teacher to be checked.
