<th></th>
<th>1</th>
<th>2</th>
<th>3</th>
<th>4</th>
</tr>
</thead>
</table>
|   | • Even with help I still don’t understand.  
• I can’t figure out what I’m doing wrong.  
• I need a review lesson. | • I can do this with help or an example in front of me.  
• I kind of get it, but may make a mistake. | • I can do this on my own without help.  
• I can show I understand using words or models. | • I can do this on my own.  
• I can explain how to do it using words or models.  
• I can teach someone else how to do it. |

Explain why you rated yourself at that level:

_____________________________________________________________________________________
_____________________________________________________________________________________
_____________________________________________________________________________________
_____________________________________________________________________________________

For the teacher to fill out:
