

# GROUP FOOD WEB

## TASK #8

**STANDARDS:** 2, 4, 7, 8, 14, 18

**TASK:** In groups of 4, students will develop a visual representation of a food web present in their assigned biome. The food webs will be colorfully illustrated on large pieces of butcher block paper.

**CRITERIA:** The elements of good performance on this activity will be assessed with the included rubric.

POSSIBLE BIOMES FOR FOOD WEB:

PRAIRIE/GRASSLAND

TROPICAL RAIN FOREST

TEMPERATE WOODLANDS

DESERT

FRESH WATER (POND OR LAKE)

SALT WATER (OCEAN)

ARCTIC TUNDRA
