Question Starters
Formative

Standards:
RI.K.1: With prompting and support, ask and answer questions about key details in a text.

Task: When reading grade appropriate texts on theme, students will be randomly selected to ask a question about the text given a question starter.

Directions: Using a previously instructed set of question stems, follow the following procedure over the course of multiple shared readings:
1. Pause periodically throughout a story and select one child to generate a question given a question stem.
2. Each child should ask two questions throughout the experience.
