Magazine Sort

Content Standards:
- CCSS.MATH.CONTENT.K.G.A.2
  - Correctly name shapes regardless of their orientations or overall size.
- CCSS.ELA-LITERACY.SL.K.1
  - Participate in collaborative conversations with diverse partners about *kindergarten topics and texts* with peers and adults in small and larger groups.
- CCSS.ELA-LITERACY.SL.K.6
  - Speak audibly and express thoughts, feelings, and ideas clearly.

Task: Magazine Sort
I will give you several magazines. With your group, look through the magazine photos to find different flat and solid shapes. You will need to cut and glue these shapes onto different sorting mats that I will provide for you. You will need to provide at least 5 flat and 5 solid shapes. You and your group will present your shape sorts to your classmates. During this presentation, you will need to be able to explain what shape you cut out and whether it is a flat or solid shape.
