Popsicle Stick Activity

Content Standards:
- CCSS.MATH.CONTENT.K.G.A.2
  - Correctly name shapes regardless of their orientations or overall size.
- CCSS.MATH.CONTENT.K.G.B.5
  - Model shapes in the world by building shapes from components (e.g., sticks and clay balls) and drawing shapes.
- CCSS.ELA-LITERACY.SL.K.6
  - Speak audibly and express thoughts, feelings, and ideas clearly.

Task: Popsicle Stick Homes
You will receive a large piece of construction paper. I will provide small popsicle sticks for you to use. You will need to create homes or buildings that are made from different shapes with these popsicle sticks. Glue your popsicle sticks to form shapes within your buildings. You need to create at least 4 different shapes. Be able to present to your classmates which shapes you created and how you know what each shape is.
