

Task 6 part 2 – Narrative Speech

Description of Task: Students will have already delivered a speech to the class and will now give a narrative speech using visual aides. The student must bring in three things that represent them in some way and explain why these things are significant. The speech will be given with no notes. The student must meet the following requirements:

Standards addressed: #1, 2, 3, 5, & 7

Criteria:

- Student needs to give an organized speech with an introduction and conclusion
- Narrative needs to explain why the three objects are significant to the speaker
- Should be at least 2 minutes long, but no more than 4 minutes
- Student should maintain good eye contact
- Student should speak with appropriate volume
- Student should tell the story at a good pace
- Student maintains focus in the speech
- Visuals should add to the speech rather than distract

The student will be graded according to the speech master rubric with the following categories used:

Eye Contact

Volume

Pace

Structure (2x)

Focus (2x)

Visuals (2x)
