Please plan your poster by brainstorming and answering the following requests and questions. You should use loose leaf paper to plan your poster. When you have completed your plan, have it checked by Mrs. Dobrod, before beginning your poster.

**Rainforest Animal Poster Plan**

Animal: ______________________

**Composition of the Poster**

1. Include ten details about your animal including habitat, food, weight and size.

2. Include an explanation of why the animal is threatened or endangered.

3. What is the title of your poster?

4. What is at least one “wow” statement you can include on your poster? A “wow” statement is one that really catches the audience's attention and one the class members will tell their parents about at dinner.

**Creating the Poster**

1. Who will write the answers to the animal questions as you share your research and decide on the final answers?

2. Who will type and print out the animal fact statements?

3. Who will lead the discussion about the “wow” statement and write it down for the typist?

4. Who will cut the letters for the title and type the “wow” statements and the answers to the rainforest questions?

5. Who will draw the pictures for the poster?

6. Who will make the layout for the poster and glue everything down?

7. Who will edit the answers?

8. Who will edit the “wow” statement?

9. Who will edit the typed animal fact statements?
