Task 1
Word-splash

Standards:
Content: The student will be able to define the basic principles of democracy.
Process: The student will be able to demonstrate appropriate use of mechanics.
                                 The student will be able to reflect and revise on his or her own work.

Task: Using the information you have learned about democracy in class, create a Word Splash of words associated with the principles of democracy. Include at least eight words that are appropriately associated with democracy. On the back of your paper, write a paragraph identifying how the words you chose are associated with democracy. See the attached example for ideas. Use the following rubric to self-assess and revise your work. Use appropriate grammar, spelling, and mechanics in your paragraph.

Criteria:
- Lists at least eight words appropriately associated with democracy.
- Paragraph includes accurate justification for choice of words.
- Uses appropriate grammar, spelling, and mechanics in paragraph.
