Standard: The student will be able to use technology to find information.

**Task #9:** You will be in the computer lab tomorrow. During that time, you will be working on the internet. Your goal is to find 3 web sites that are interesting to you AND are related to physical fitness. Once you have found a web site you will have to hand in the following to the teacher:

1. the web site address
2. a printed copy of the web site’s home page

Criteria:

1. Three addresses of the 3 web sites found
2. A copy of all three home pages of the web sites found.

Rubric:

\[
\begin{array}{cccccc}
0 & 1 & 2 & 3 \\
\hline
\text{Has sites} & & & & & \\
\hline
\text{Has home pages} & & & & & \\
\end{array}
\]

Grading Scale:  
6 = A 
5 = B 
4 = C 
3 = D 
2 = F
