Conference Report to My Parents/Guardians

Name: ______________________________  Date Compiled: ____________________

(Print)

1. The most important thing on our team that I am trying to do well this year is

____________________________________________________________________________
____________________________________________________________________________
____________________________________________________________________________

2. This is most important to me because

____________________________________________________________________________
____________________________________________________________________________
____________________________________________________________________________

3. Other things that I am proud of this year are

____________________________________________________________________________
____________________________________________________________________________
____________________________________________________________________________

2 things that I need to work harder at are:

1. 

2. 

When I am in 8th grade, I want to

If I could do one thing over this school year, I would

My goal(s) for the rest of the school year is (are)

Are you working as hard as you can to achieve and to learn the most that you can? If you said “yes”, justify or explain your answer. If you said “no” what can you improve?
