Task: Teacher gives lesson on the pattern of Haiku poetry. Students list details about their walk into the form of a Haiku poem. If students choose a topic that doesn’t relate to their pattern walk that is okay but their entire poem must relate directly to the chosen topic.

Directions for students:
Brainstorm a topic that you could write a poem about. Next you will take your idea and write a Haiku poem about it. A Haiku poem consists of 3 stanzas. The first stanza is made up of 5 syllables. The second stanza is made up of 7 syllables. The third stanza is made up of 5 syllables. An example is listed below for your use. Take your time and make sure that you count your syllables carefully.

Sun shines in summer.
Kids play ball in the green grass.
The fall is coming.

When you are finished writing your poem, create an illustration to go with it and decorate. When you are finished, place your poem in the writing bin.
**Criteria:**
