Task #4

Travel Poster

For this task, students will create a travel poster, showing things that have to do with their country, such as the flag, examples of the written language, animals native to the country, and food commonly served. Students may use crayons or markers, or a mixture of both. The poster should be colorful, creative, and show information (through drawings and some text) about the country.

Standards:

Content:

• Create media compositions that convey meaning visually.

• Use visually oriented media.

• Follow oral instructions.

Criteria:

• Poster should be colorful, informative, and show student creativity.

• Poster should visually represent student’s country.

• Students should be able to complete poster, following teacher’s oral directions.
