Task #8

Artifact Presentation

For this task, students will share an artifact that represents their country with the rest of the class. These artifacts will remain at the school so that parents can see them at our ELL Open House.

The artifacts may include books, pictures, woodcarvings, flags, native clothing, dolls, money, etc. Sharp objects and valuable items should not be brought to school. Students who are unable to bring an artifact will talk about something they know about the specific country they or their parents are from.
